

Regression Models: Assignment 2

Daniel Alonso

January 11th, 2020

Installing libraries used

```
packages = c("dplyr", "MuMIn", "MASS", "leaps", "glmnet", "car")
for (package in packages) {
  install.packages(package)
}
```

Importing libraries

```
library(dplyr)
library(MuMIn)
library(MASS)
library(leaps)
library(glmnet)
library(car)
```
